

17. ~~Immediate-Plans:~~
US residence~~s~~ and travels: Camp Kilmer, N.J.; two months at Bard College. He arrived in New York City, a month ago
18. Immediate Plans: Acquire a scholarship which will enable him to continue his studies.
19. Other Western organizations interviewing: Only routine questioning by Austrian police officials and US consular and immigration officials.
- 20: Foreign languages: Studied Russian and German. German for seven years in secondary schools and Russian for four years at the University.

Subject is a chemical engineering student of industrial-worker backgrounds. Studious, at first, a bit shy and not very talkative. Gave excellent rapport. His account of events in Veszprem is very interesting. Also noteworthy is the information concerning university curriculum and about the fighting among the Russians in Gyor.
