31. "7" While the respondent was at ease answering personal questions, she was ashamed of not knowing anything about politics and Hungarian history. She loved to talk, but did not know how to answer a question. She did not understand at all most of the questions about politics, ideology, related events.
32. "10"
33. "9" She tried hard to cooperate but this questionnaire was obviously too difficult for her.
34. Not at all
