- 31. Excellent "10"
- 32. Good. In particular "R" No.4, his trips to Kosice, the Ukraine and Rumania are somewhat fantastic - but he sounded persuasive. In general, his frankness does not seem to guarantee his veracity. He may believe in what he says but it may not be necessarily true.
- 33. Excellent "10"
- 34. In "I" No.1/a for instance, I had the feeling that respondent said the "desired" answer.
