- 31. Started out with "6", arrived at "10" exceptional! Is sending me gifts and weekly letters - I don't mind the gifts!
- 32. "10" To the point where she often said: "this may contradict my husband's statements (see Interview No. by *AI*) but I am known to be frank, while he is a diplomat!"
- 33. Started out at "5", arrived at "10" exceptional! Took some tanning. If *A* had been stronger (she is twice my size - a European size opera singer!) I would have gladly beaten her. She was told that there was a lake in Feldafing and she wanted to go swimming - at one time I seriously considered going swimming with her and - ~~she~~ drowning her!
