Székely evaded deportation from the U.S. by leaving "voluntarily" in 1949 in response to an invitation from Rakosi. He was a long time member of the U.S. Communist Party, playing an active role primarily as a trade union organizer. Deportation orders against him prevent his re-entry in the U.S.

31. "7" Variable rapport
32. "7" Variable veracity dependent on content of topic
33. "9"
34. Very much

Respondent interested in establishing rapport re his immigration case and obviously felt CURPH could do something for him if it only wanted to. This colored his remarks and his own attitudes on socialism at present and on extent of his political involvement with communism.
