Was a member of the Communist Party, but not of own choosing - had been Social Democrat and at merger of parties received a Communist Party membership card two days after he was thrown out of the Social Democratic Party.

31. "B". No.
32. "B". In Section "I", dealing with Marxism, he says he doesn't know much. I would say he should know or remember something. It's funny, anyway, even if he was a bad member of the Communist Party, but I trust his statement when he says he doesn't know the theory.
33. "B"
34. No, not at all (see Section "X").
